

Seneca College

BUSINESS INTELLIGENCE TECHNOLOGIES CLUB

Finding Your Pathway

OBJECTIVE

Begin a learning path related to your industry and get use to the Alteryx interface

WEEKLY TASKS

These tasks are recommended to ensure progressive group learning with the club

1. Read the Alteryx Designer Core Exam Prep Guide
2. Open Alteryx Core Designer and view the user interface and tool examples
3. Choose a learning path and begin at your own pace utilising the interactive learning segments, tool mastery series, and Try It!
 - a. Learn > Academy > Learning Paths
4. View the available lesson topics and subtopics areas that you can explore throughout the semester. Only “Core” labeled videos will be needed to pass the Alteryx Designer Core exam.
 - a. Learn > Academy > Interactive Lessons

RESOURCES AVAILABLE

These resources are to provide a general direction to relevant information you may benefit from and reference to during group discussions. Progressive group learning benefits from all approaches so challenge yourself to expand beyond these links.
